
INTRODUCED BY MR. BEERSTECHEER.

OCTOBER 10TH, 1878.

READ AND REFERRED TO COMMITTEE ON LEGISLATIVE DEPARTMENT.

STATE DEPARTMENT OF LABOR AND LABOR STATISTICS.

SECTION 1. There shall be a State Department of Labor and Labor
2 Statistics.

SEC. 2. The duty of the department shall be to collect and publish
2 statistical details concerning every class of labor in this State; also to have
3 general supervision of the commercial, industrial, educational, social, and san-
4 itary condition of the laboring classes.

SEC. 3. Weekly and annual reports shall be made by the department
2 and printed by the State Printer, and gratuitously distributed throughout the
3 State. The chief of the department shall also report to each Legislature, and
4 advise such legislation as may be necessary to encourage and protect labor.

SEC. 4. The officers shall be a General Superintendent, with an office
2 in the State Capitol building; and a Superintendent, with an office in the City
3 of San Francisco. They shall be elected at the general State election, and
4 hold office for four years. Their salary shall be two hundred (\$200) dollars
5 per month.

SEC. 5. The Legislature may provide for traveling and other inci-
2 dental expenses, and for employment of clerks, and their compensation.
